Subject: Haynesville Drilling SOW

Bob/Chris,

Please review the attached drilling SOW. Once the SOW is final , we will finalize the Exhibit 2 (Price schedule) that will include drilling line items. Our bid package will also include E & E's standard subcontract agreement with EPA pass-thru' s. The bid package we will send out to 3 to 5 bidders. Prior to subcontractor submission of bids, we recommend a bidders meeting at the site so they can work out the logistics of rig access in their bids.

Please let me know if you have any questions.
